Parents, Teachers and Rotarians alike will be very pleased to know that the competition attracted 49 entries from 8 schools in the area. This was an excellent response, not only in terms of the number of stories submitted, but also for the high standards achieved.

The entries provided the judges with some interesting, unique and enjoyable stories. It also provided them with a very difficult task when it came to awarding the prizes. Unfortunately, it is not possible for everybody to win a prize, but the most important thing is that you all took part and impressed the judges with your work. *Thank you.*
